LOVING GOD AND LOVING OTHERS

Mark 12:28-31

## The Widow's Mite

Jesus sat down opposite the place where the offerings were put and watched the crowd putting their money into the temple treasury. Many rich people threw in large amounts. But a poor widow came and put in two very small copper coins, worth only a fraction of a penny

Calling his disciples to him, Jesus said, "I tell you the truth, this poor widow has put more into the treasury than all the others. They all gave out of their wealth; but she, out of her poverty, put in everything—all she had to live on."

Mark 12:41-44

I do not believe one can settle how much we ought to give. I am afraid the only safe rule is to give more than we can spare. In other words, if our expenditure on comforts, luxuries, amusements, etc., is up to the standard common among those with the same income as our own, we are probably giving away too little. If our charities do not at all pinch or hamper us, I should say they are too small. There ought to be things we should like to do and cannot do because our charities expenditure excludes them.

For many of us the great obstacle to charity lies not in our luxurious living or desire for more money, but in our fear—fear of insecurity.

—C.S. Lewis

*Your LifeGroup discussion notes*

1. How is Jesus contrasting the "teachers of the law" and the widow?
2. Jesus pointed out this widow as an example for the disciples? In what ways are we called to emulate her?
3. How have you determined how much to give? (to the church, to charities)
4. In what other areas do you feel the call to make a greater sacrifice?

**STALL-Stop Trafficking And Liberate Lives**

This is not an engine fueled by gasoline and measured by horsepower. It is a raging machine fueled by perversion and measured by lives in bondage. It is the engine of human trafficking. This engine drives a billion dollar industry in which millions of lives have been destroyed by the darkness and torture of being bought and sold, existing as disposable objects.

**Stella's House and Simon's House**

In Moldova, at age sixteen, young people are forced to leave orphanages and the state programs that are supposed to care for these kids, are extremely limited. Untold thousands simply fall through the cracks and are never seen or heard from again. Corrupt orphanage officials even tip off the traffickers as to the availability of "suitable girls."

Stella's House and now Simon's House offers young girls and boys opportunities for an education, a safe place to stay and live in a family-like environment, where Godly people care for them, teach them about Jesus and keep them safe.
